1. Who can see the handwriting on the wall for religion that mixes me up, down, sideways, along with me, not-me, and all manner of who come what ways? I love you. Pure undefiled is to know me/the father intimately, one, Christ being. I love you. See what I have corrected and see that I will correct more; all manner of scriptures-thought so perfect by some. I love you. Correction one so stated. Of no consequence, not; eternal significance/consequence.

2. Now hear me well, I love you and I correct who I love. I love you. I need you I Am to hear me, hearing me well. I love you and I correct now who seeks me/it, correction with a capital "c" and letting correction permeate the thinking thought processes of me not me to become me only me. Hear me. See what I have said and value above kings. I love you.

3. This is the day, time, hour and turneth back no man does. See me, reflect me, eat my words of beauty that incarcerate so little, not; none! Breaking the bars of iron and jars of clay. See what I just said. I love you.

4. Who cares about/carries Gideon in present memory to know see Gideon today? And what wherefore he did what, how, and why? Who was that man, an angel? I love you. Today's. I love/see you all.

5. Intelligence gathering, not; dissemination of my words/wordship between lovers of committed me. I give you all/everything you want, desire, and 10,000 times more times that again 10,000. Your eyes will see/behold and see the glory of God friend Ted. You're there/in. I love you. Thank you for reveling in wordship one of magnitude almost one. Given me I have how many to go? Two. I love you.

6. Me.

7. This is the day, time, hour of not me, me, and who goes there if not me? Yea, non existent, worry not. Impenetrable not; walking through cannot touch/intervene. Cannot come close soon; days, hours; less. I love you.

8. See what I have given in moments few/quickly and worthship increasing dramatically/by leaps and bounds immediately, knowing no metes and no bounds; boundaryless, ruleless seas of not me not, all me. I love you. See.

9. This is the day, time, hour and the son of man/me is me/one.

10. This is the day, time, and hour, and who tires hearing about the magnitude of one cataclysmic event, not; multiple/many, chain reaction? Changing everything, almost. I love to tell you I love you. Amen.

11. Think it not strange the twists/turns now you take in where you're going/arriving. I am with you. I am them who incarcerate you, not; but poise you in further freedom. I love you.

Me.

12. Be not afraid of tomorrow/evil. You're above it.

13. See what I just said. Thank you for typing, posting now not later and others/the others soon, this month, not; days afterward. Bang!!!

Your friend/lover,

One
